

Midigully is an ideally sized gully for domestic and smaller capacity industrial and commercial applications.

Applications

Surface water capture for domestic and smaller capacity industrial and commercial applications.

Key benefits

- Manufactured in durable HDPE
- Spigot outlet, suitable for connection to 110mm BS EN 1401 sockets, can also be adapted to 100mm Ridgidrain
- Nested gullies lock together for easy handling, transportation and safer storage on-site
- A range of adaptors available
- Optional aluminium silt bucket and cast iron grating
- Light in weight and superior strength
